Re: 2016-2017 School Year

Hello,

The 2016-2017 school year is rapidly approaching. I hope you all had a great summer and that yours didn't pass as quickly as mine did. During this upcoming school year I am looking forward to working with those I already know and getting to know some new faces that were recently hired. I want to welcome everyone back and to let each of you know that we have exciting things going on in the South Central School District this year. As always I know we will continue to offer the students of the district a quality education as well as a great learning environment.

This school year will begin with a district wide meeting on Thursday, August 18th. The meeting will be held at the South Central Middle School Cafeteria beginning at 8:30 A.M. with donuts and fresh fruit beginning at 7:45 A.M. Immediately following the district meeting, each building principal will have staff meetings in their respective buildings. Friday, August 19th, will be the first day for students and will be an early dismissal day at 1:00 P.M. The first full day of student attendance with buses running on the regular schedules will be Monday, August 22nd.

As I begin another year as superintendent, I am confident in knowing of the excellent faculty and staff that we have within the South Central District. Over the past several years, I have come to know of the time and effort that each of you put into your position. It takes everyone doing their part, in the best interest of the kids to make this the excellent district that it is. I want to thank each of you for what you do every day for the kids and I look forward to working with you during this school year.

I will be out and about to talk and visit with you this year.

K. Herdes

AGENDA

August 18, 2016

7:45-8:30 Catching up, coffee, donuts, fruit.

8:30-9:30 Welcome back
