

Dear Parent/Guardian:

As part of the health curriculum, we have invited guest presenters from Lighthouse Pregnancy & Health Services to speak on issues related to teen sexuality. The IN THE KNOW program which they will be presenting will address the following topics:

DATES 4/24, 4/25, 4/26, 4/27

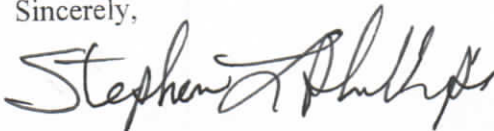

- Goal-setting and protecting teenagers' futures
- Exhibiting self-control
- Possible emotional, physical, mental and social consequences of sexual activity outside of marriage
- Common STDs and how they spread
- Refusal skills: practical tips for overcoming peer-pressure
- Secondary virginity – starting over and getting back on the right path

The program also employs interactive exercises and discussions. A powerful true-life video testimony will encourage and impact the students, giving them a clear and consistent message in helping them come to their own conclusions that abstinence provides them with the safest and healthiest lifestyle.

The SOUTH CENTRAL HIGH SCHOOL has always considered parents to be primary educators in the area of sexuality. We need your support to reach young people with the information of the dangers of early sexual involvement.

Please return the bottom portion of this sheet to MR. KAPPER by 4/21/17 if you DO NOT want your student to participate in this program. Feel free to contact your student's teacher or Erin Klug, LPHS Prevention Educator at 618-283-8750 or [erink.lpc@gmail.com](mailto:erink.lpc@gmail.com)

Sincerely,
